ORDER

KATHERINE B. FORREST, District Judge:

Having reviewed the parties' submissions, the Court believes it prudent to await the outcome of the proceeding in Israel, after which the parties may more precisely direct their arguments to the remaining issues. Accordingly, this matter is STAYED until further order of the Court.

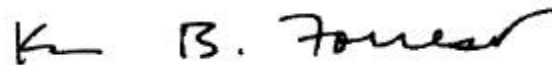

The parties are directed to provide the Court with an update on the status of the Israeli proceeding not later than **Monday, April 3, 2017**, or within two weeks of the resolution of the Israeli proceeding, whichever comes first.

The Court terminates the motion at ECF No. 8, with leave to renew, on the basis that the arguments presented may change materially following the outcome of the Israeli proceeding.

The Clerk of Court is directed to place this matter on the suspense docket.

SO ORDERED.
