Please join us for a presentation of a Report on Costs and Security for Costs prepared by the ICCA-Queen Mary Task Force on Third-Party Funding in International Arbitration. Reception to follow.

This Report is the first in a series of reports prepared by the Task Force on a range of issues that arise as a result of third-party funder participation in international arbitration. Founded in 2013, the Task Force is co-chaired by Stavros Brekoulakis, William "Rusty" Park and Catherine Rogers, and is comprised of representatives drawn from among all relevant stakeholders and interested members of ICCA. Eventually, all the Task Force's reports will be compiled as a special Volume in the ICCA Reports Series. A full draft of the Report is available online at: www.arbitration-icca.org/projects/Third_Party_Funding.htm
