Lilia B. Vazova

Partner (New York), Latham & Watkins

Dr. Samuel Weglein

Managing Principal (Boston), Analysis Group

PROGRAM DESCRIPTION

In this session, quantum experts and counsel will discuss critical aspects of valuation in international arbitration using event studies. Key topics include how event studies work (the mechanics, intuition and widely accepted practices in academia and U.S. courts), an overview of key decisions, and the usefulness and application of event studies in certain settings within international arbitration. Come ready with questions for this dynamic roundtable!

EVENT REGISTRATION HERE.

AGENDA (NY TIME)

6:00pm: Registration

6:15pm: Substantive Session with Q&A

7:30pm: Networking

8:30pm: Close of Session
